# Performance Guaranteed

At Prime Flors we are proud of our products and this is why we stand behind them with the best warranties in the industry.

We understand that business is always changing. While timelines and budgets remain tight, demands on floor covering have increased. You expect and need your carpet to look and perform great under all circumstances. We get it. And we're here to help.

Our Performance Guarantee program offers the answers to your performance concerns in one easily specifiable package that guarantees our fibre, backings and adhesives will last a lifetime freeing you from having to compromise between design, performance and environment. The Performance Guarantee provides you with an easy, worry-free solution with unparalleled protection.

## performance guarantee

LIFETIME FIBER PERFORMANCE WARRANTY	LIFETIME BACKING PERFORMANCE WARRANTY	LIFETIME ADHESIVE PERFORMANCE WARRANTY
<p>We offer fiber warranty packages unsurpassed by any fiber producer in the industry.</p> <ul style="list-style-type: none"> <li>• Antron Lumena® Solution Dyed Nylon: With outstanding stain resistance, soil resistance and appearance retention, Antron Lumena® solution dyed nylon offers excellent performance in a variety of commercial environments. Antron Lumena® was the first fiber to be certified as an environmentally preferable product.</li> </ul> <p>When you specify Dextron BCF Nylon, you are choosing the best. We back our nylon with a Lifetime Fiber Performance Warranty for:</p> <ul style="list-style-type: none"> <li>• stain removal*</li> <li>• colorfastness*</li> <li>• wear</li> <li>• static protection</li> </ul> <p>Carpet engineered from Dextron gives the specifier three important benefits:</p> <ul style="list-style-type: none"> <li>• Lifetime stain removal and performance warranties</li> <li>• Minimum of 20% recycled nylon content</li> <li>• Eligibility of Prime Flors carpet reclamation program</li> </ul>	<p>Specifying a backing to fit your needs is critical for a successful project.</p> <ul style="list-style-type: none"> <li>• UniBak Plus Modular: The modular backing standard provides lifetime warranties for tuft bind strength (edge ravel, yarn pulls, and zippering) and protection from delamination failure. Additional lifetime warranties for moisture barrier and dimensional stability.</li> <li>• UniBak: UniBak's structured backing system consists of several composite materials, each of which serves a different purpose, producing a synergistic result of high tuft bind and high stability. Thermoplastic materials resist mold and mildew. UniBak offers superior acoustical and sound absorbing properties.</li> </ul>	<p>A quality installation is imperative to the overall success of a project. Prime Flors family of premium grade adhesives provide lifetime performance warranties. By using Prime Flors' TileTac you will achieve a low VOC emitting carpet installation.</p> <p><b>Lifetime Environment Commitment</b></p> <p><b>Reclamation program:</b> We will take your worn carpet and guarantee that it will not reach a landfill, regardless of original manufacturer, type or fiber content.</p> <p><b>LEED Contributions</b></p> <p>Most Prime Flors carpets meet the Carpet and Rug Institute's (CRI) Green Label Plus (GLP) testing requirements.</p> <p>Prime Flors carpets contribute to LEED points in a variety of ways such as recycle content.</p>
